

**BISD**  
BHARAT INSTITUTE  
FOR SKILL DEVELOPMENT

# Future-Ready Skill Development

EV | IoT | AI | Industry Training

*Empowering Careers.  
Building Industry-Ready Talent.*

Bridging the gap  
between education  
and industry.

FOR SKILL DEVELOPMENT

# About BISD

**Bharat Institute for Skill Development (BISD)**

is committed to empowering individuals with industry-relevant skills in Electric Vehicles, IoT, AI and emerging technologies.

Through expert mentorship, advanced tools and hands-on training, we prepare learners for real-world challenges and high-growth careers.

## Our Impact

**10,000+**  
Learners  
Empowered

**Industry-Aligned  
Curriculum**

**Hands-on  
Training &  
Real Projects**

**Expert Mentors  
with 25+ Years  
Experience**

## Our Partners

# Our Programs

EV | IoT | AI | Industry Training

Industry-focused training  
for tomorrow's careers.

## 01 2-DAY EV BOOTCAMP Foundation Program

- Introduction to EV Technology
- Key Components Overview
- System Architecture & Working
- Live Demonstrations
- Ideal for Beginners

Beginner  
Friendly

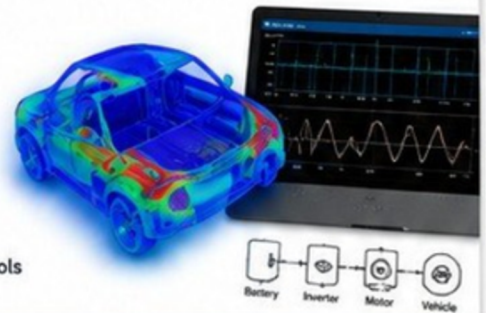

2 Days

Certificate of  
Participation

## 02 80-HOUR EV SIMULATION Advanced Simulation Program

- EV Modeling using MATLAB
- ANSYS for System Analysis
- Creo for 3D Design
- Performance Simulation
- Industry-Standard Tools

Simulation  
Based Learning

80 Hours

Completion  
Certificate

## 03 200-HOUR EV MASTERCLASS Professional Certification Program

- Battery Systems & BMS
- EV Powertrain & Drivetrain
- Charging Systems
- Testing & Validation
- Hands-on Projects
- Industry Best Practices

In-Depth  
Learning

200 Hours

Industry  
Certification

## 04 EV SERVICE TECHNICIAN PROGRAM Hands-on Skills for Careers

- EV Diagnostics & Troubleshooting
- Maintenance & Repair
- Electrical & Electronics Systems
- Safety Protocols
- Workshop Practical Training

Hands-on  
Workshops

Job-oriented  
Training

Certificate of  
Competency

**Practical Skills.  
Industry Exposure.  
Career Success.**

Each program is designed to give you real-world experience, industry-relevant skills and the confidence to build a successful career in the EV and technology industries.

### Our Partners

# START YOUR JOURNEY WITH BISD

Skill Today. Innovate Tomorrow. Lead the Future.

Join thousands of learners who are building successful careers in Electric Vehicles, IoT, AI and advanced technologies with BISD.

Empowering you with skills, industry exposure and the confidence to shape the future.

**ENROLL  
TODAY!**

## WHY BISD?

**INDUSTRY ALIGNED**  
Programs designed with industry experts to meet real-world demands.

**PRACTICAL LEARNING**  
Hands-on training with advanced labs, tools and live projects.

**CAREER FOCUSED**  
Certification, career support and placement assistance to help you grow.

**EXPERT MENTORS**  
Learn from experienced professionals with deep industry knowledge.

**BUILD SKILLS.  
BUILD CONFIDENCE.  
BUILD THE FUTURE.**

Take the next step toward a rewarding career in the technologies that are shaping tomorrow.
